Soke to T'QAS, Terry Melius about 112 6 <sup>th</sup> paragraph. He indicated that the invention does not properly invoke 112 6th	1dizlo7	R
because of too much recitation of structure implied to invoke 112 6 <sup>th</sup> in the claims. He added that prior art only needs to		
disclose the claimed structure and be capable of executing the claimed method limitations.	10/12/07	<b>→</b> &
